PROFESSIONAL EXPERIENCE

Senior PPC Executive Confidential Agency Apr 2026 – Present

- Manage and optimize paid campaigns across Meta Ads and Google Ads for clients in multiple industries.
- Run lead generation campaigns for architecture and construction clients, maximizing qualified leads while controlling cost efficiency.
- Manage performance marketing for Australia- and US-based e-commerce brands, optimizing for ROAS, conversions, and revenue growth.
- Conduct audience research, campaign structuring, keyword research, and budget allocation to improve performance.
- Run continuous A/B testing on ad creatives, copy, and targeting to increase CTR and conversion rates.
- Monitor performance via analytics and reporting tools and collaborate with design and content teams on high-converting creatives and landing pages.

Freelance Performance Marketer & WordPress Developer Lakwin Jewels, Punjab

Freelance | Aug 2024 – Apr 2026

- Developed and launched the company's WordPress website with a focus on user experience and conversion optimization.
- Planned and executed a complete Meta Ads strategy to drive brand awareness and online sales.
- Set up Meta Business Manager and Ads Manager from scratch, including campaign structure, Pixel integration, event tracking, and audience creation.
- Managed Meta ad campaigns end-to-end, from strategy through optimization and reporting.
- Built an organic social media strategy to grow brand visibility and engagement, and wrote ad copy and marketing content aligned with the brand's identity.

Digital Marketing Intern Novem Controls, Mohali, Punjab

Internship | Jun 2024 – Aug 2024

- Assisted in planning and executing digital marketing campaigns across Meta platforms.
- Worked on live Meta Ads campaigns, gaining hands-on experience in campaign creation, audience targeting, budget management, and optimization.
- Supported content planning and performance analysis for social media initiatives, monitoring metrics and preparing reports to identify optimization opportunities.
- Collaborated with the marketing team on real client projects and day-to-day marketing activities.

PROJECTS

Multi-Location E-Commerce Performance Marketing

Meta Ads & Google Ads

- Managed paid campaigns for e-commerce brands based in Australia and the United States, structuring Sales, Remarketing, and Customer Acquisition campaigns.
- Optimized audiences, creatives, bidding, and budgets to maximize ROAS, with ongoing A/B testing to improve CTR, conversion rate, and cost efficiency.
- Tracked performance and prepared client-facing reports. **Tools:** Meta Ads Manager, Google Ads, GA4, Google Merchant Center.

Architecture & Interior Design Lead Generation

Meta Ads & Google Ads

- Built high-intent audiences and structured campaigns to generate qualified leads for architecture and interior design businesses.
- Improved performance through continuous optimization of creatives, targeting, and landing pages, while tracking lead quality and cost-effective acquisition.

KEY ACHIEVEMENTS

- Manage performance marketing accounts spanning Meta Ads and Google Ads for clients across India, Australia, and the United States.
- Independently built a client's Meta Business Manager and Ads Manager infrastructure from scratch, including Pixel integration and event tracking.
- Recognized for leadership and communication skills; served as Head Girl at Sacred Heart Convent School.
- Multiple wins in Speech, Debate, and Dance competitions, reflecting strong public-facing communication — a key strength in client-facing marketing roles.
